

New Leader Scholarship Announcement

August 1, 2005

Susan Ear's Research Published in UC Berkeley Journals

SUSAN EAR published two research papers this past winter and spring on the subject of genocide. In the California Legal Studies Journal, spring, 2005, she wrote a scholarly paper titled "Genocide? The Case of Darfur, Sudan". For the Berkeley McNair Research Journal, winter, 2005 she wrote an article titled, "Defining Genocide: The Experience of Chinese Minorities under the Khmer Rouge 1975-1979".

The California Legal Studies Journal is an undergraduate research journal published by the Undergraduate Legal Studies Association (TULSA) at UC Berkeley.

The Berkeley McNair Research Journal features articles published by UC Berkeley McNair Scholars based on their ten week McNair research experience.
